Description of the categories of the Ordinance of the Central Government for Beverages, Hotels, Restaurants and Cafés on Bonaire

- Apartment license:** Gives the holder the right to rent out apartments (Living space to be rented as separate units to tourists by a legal body).
- Bar license:** Gives the holder the right to sell retail beverages with a high percentage of alcohol for consumption on the spot or elsewhere as well as beverages with a low percentage of alcohol, non-alcoholic beverages and ice fit for consumption or a similar product for use on the spot.
- Beer license:** Gives the holder the right to sell retail beverages with a low percentage of alcohol, non-alcoholic drinks and ice fit for consumption or a similar product. The consumption needs to take place on the spot.
- Liquor wholesale license:** Gives the holder the right to sell wholesale beverages with a high percentage of alcohol. The beverages may not be consumed on the spot.
- Hotel license:** Gives the holder the right to run a hotel (an accommodation with service for ten guests or more) which sells retail beverages with a high and low percentage of alcohol, non-alcoholic drinks, ice fit for consumption or a similar product and/or food for consumption on the spot.
- Accommodation license:** Gives the holder the right to run an accommodation (maximum of nine guests) and sell retail beverages with a low percentage of alcohol, non-alcoholic drinks, ice fit for consumption or a similar product and/or food for consumption on the spot. The beverages can only be sold to the guests and/or their visitors.
- Clubhouse license:** Gives the holder the right to sell retail beverages with a low percentage of alcohol, non-alcoholic drinks, ice fit for consumption or a similar product and food only to members of the clubhouse and their potential members. The consumption needs to take place on the spot for which the license is valid.
- Take-out license:** Gives the holder the right to sell food, which is prepared in the kitchen on the spot. The consumption needs to take place elsewhere.

Restaurant license:	Gives the holder the right to sell retail non-alcoholic drinks, ice fit for consumption or a similar product and food, which is prepared in the kitchen on the spot. The consumption needs to take place on the spot.
Liquor license:	Gives the holder the right to sell retail beverages with a high percentage of alcohol. The beverages need to be consumed elsewhere.
Snack license:	Gives the holder the right to sell retail beverages with a low percentage of alcohol, non-alcoholic beverages, ice fit for consumption or a similar product and food which can be prepared easily in the kitchen on the spot. The consumption needs to take place on the spot.
Icehouse license:	Gives the holder the right to sell retail non-alcoholic beverages and ice fit for consumption or a similar product for consumption on the spot.
